

Joy House

708 Greenwood Rd

- Private house with 2BR, 2 BA, to accommodate up to 4 students
 - Co-Ed housing with single gender rooms

General Info	<p>Thomaston is a quaint, rural area and home to Upson Regional Medical Center. Joy House is a private home accommodating up to 4 students in a 2 BR, 2 BA living space. If you would like to request a reservation at this housing location, please complete and return the Statewide AHEC Student Support Form and Housing Agreement to the contacts listed below. After request forms are submitted, you will receive notification of availability. Once reservations are secured, you will receive an email with your room assignment and other check-in instructions. Rooms are labeled. Please do not change rooms without prior approval from Three Rivers AHEC. Unauthorized room changes can impact room availability for other students. This home is owned by Dr. Joy Baker, who sometimes stops by to offer support to students staying there. The neighbors are also available for support.</p> <p>Access is by key code which will be furnished to you with your check in details.</p>
